

### ***MAX BENJAMIN ELEMENTARY SCHOOL GRADUATION 2014***

The 3<sup>rd</sup> December 2014 saw the second graduation of students from the Max Benjamin Elementary School.

The students slow marched in two columns into the school ground & seated in front of the new double classroom. Invited guests & MBES Board members joined the students marching.

The graduating students received their Certificates and posed for images as the class for 2014 from MBES.

The school now has a classroom each for Kindergarten, Preparatory, Elementary 1 & 2 classes. There will be a library/activity room also completed plus an on-site Principal's House by the start of the new school year February 2015. This will complete the construction of ***Max Benjamin Elementary School***. Plans for the Community School which will extend from the MBES to a new site on the northern boundary of Walindi Plantation should see this project commence in 2015.
